ON GUO ASKING WHY LAWMAKERS AND GOV'T OFFICES SEEM TO BE 'FIXATED' ON HER

While multiple open cases have been filed against me, I am deeply concerned about and keep questioning why Senator Win Gatchalian, Senator Risa Hontiveros, and the other offices seem fixated on me. If they have evidence against me, I am ready to face them in a fair trial and at a proper forum...

Am I really the country's biggest problem that they need to focus on?

May delayed telecast na rin pala ang Pamilya Sagrado at Lavender Fields?!

Mula sa isang avid fan ng Kapamilya Channel at admin ng isang Kapamilya page na madalas nambabash sa mga GMA artists at KAPUSO Network, ang nagsiwalat na binalik muli ang delayed telecast ng kanilang on going seryes na Lavender Fields at Pamilya Sagrado sa kanilang sister company channel na Jeepney TV.

Ang tanong ngayon ng netizen, isasama na ba nila ang ratings ng delayed telecast para mas mataas ang ratings nila o manatiling same timeslot ang i-anusyo?

Alam naman ng lahat na tanging FPJ's Batang Quiapo ang rumerate with or without delayed telecast ngunit ang mga sumunod na serye ay kinakailangan pang tanggalin ang ratings ng delayed telecast ng KAPUSO Network para palabasing mas mataas sila.

Kung may plano man silang isama ang delayed telecast, isang palatandaang wala  silang credibility.

Sa ikalawang pagkakataon, naungusan nina Piolo Pascual, Kyle Echarri at Grae Fernandez ng Pamilya Sagrado with 8.8% ang Widow's War nina Bea Alonzo at Carla Abellana with 8.2% only.

REAKSYON SA PANUKALANG DUTERTE-DUTERTE SA 2028

Kapit-tuko sa kapangyarihan itong si Panelo. Palibhasa, siya ay mas "malapit sa kawali" noong panahon ni Duterte. Nais niyang makakapit muli sa mga pasilyo ng Malakanyang.

Kung hahayaan ito ng Comelec, sagad-sagad na ang pagsalaula sa Konstitusyunal na probisyon laban sa political dynasties.

This from the former Presidential Adviser on Economic Affairs of FVR:

THAT FIGHT BETWEEN BONGBONG AND LIZA

Jose Alejandrino

I have been looking at the report from an Intel officer and the version of Maharlika in her recent posting on what transpired between the First Couple. The only difference appears to be who hit who first. Maharlika's version is that Bongbong hit Liza with some instrument which bloodied her head. The Intel version is that Liza tried to choke Bongbong. it is well possible that after Bongbong hit Liza, the latter retaliated by trying to choke him. The violent fight was heard by those outside the room.

From both versions, it is clear:

- (1) There was a violent struggle that most likely was caused by an overdose of Coke, the former loving couple no longer aware of what they were doing.
- (2) Bongbong turned blue due to shortness of breath caused by stress. The poor fella is 66 years old (the double number of the devil) and a combination of stress and Coke can certainly affect him at his age. He is lucky he didn't drop dead from a heart attack when and if Liza tried to strangle him. Never underestimate the strength of a New Yorker also under the influence of Coke.
- (3) Both were rushed by helicopter to St. Luke where Liza was treated for her head wound.
- (4) Apparently upon doctor's orders, Bongbong was flown to a mansion in Batangas which an Intel officer said was a safehouse to keep baby Bongbong out of public sight due to his miraculous regression to childhood. If so, he has turned into a vegetable as I had predicted in an earlier posting.

What is certain is Bongbong and Liza made it to the Guinness Book of World Records as the first presidential couple having a Coke fight and in Philippine history as the first presidential couple bodily harming each other in the presidential bedroom instead of making love to each other like most normal couples do.

Statement From Former Vice President Dick Cheney

McLean, VA - Former Vice President Dick Cheney issued the following statement regarding the 2024 Presidential Election:

"In our nation's 248-year history, there has never been an individual who is a greater threat to our republic than Donald Trump. He tried to steal the last election using lies and violence to keep himself in power after the voters had rejected him. He can never be trusted with power again."

"As citizens, we each have a duty to put country above partisanship to defend our Constitution. That is why I will be casting my vote for Vice President Kamala Harris."

What if Pastor Apollo C. Quiboloy is true?

(JESUS CHRIST ERA) When Jesus Christ came more than 2,000 years ago, he preached repentance, fed the multitude of 5,000, healed the sick, made the blind see, and the lame walk. Yet, religious and political leaders went after Him, and those who thought He was a criminal clamored for His death, and shouted, "Crucify Him!" He did not commit any sin, but He was called a criminal, was maligned and despised by the so-called wise and powerful in the world.

We believe our beloved Pastor, Pastor Apollo C. Quiboloy is innocent just like our Father, our Lord Jesus Christ when He face the ultimate sacrifice. Because of His great love to humanity, He again borne the sin he never did. And we all know that everything happened for a reason.

Pastor has revealed to us His vission that there will be an explosion. It is an enlightenment explosion. And it'll happen soon after this dark moment of our life. Those carnal minded people will receive enlightenment and they will all see the importance of the message of the Appointed Son of God. And in that moment, they will praise His Name. Praise the Father through the Son and King Pastor Apollo C. Quiboloy 🙏🙏🙏🙏🙏

He sacrificed again for us

Harry Roque on the run: PNP joins the hunt

The former presidential spokesperson has ignored multiple summonses from a joint House panel investigating his alleged ties to illegal Pogos. His refusal to cooperate prompted authorities to issue an arrest warrant, though he was not found at his Makati office, sparking concerns that he may be attempting to evade capture.
